Features:

- Molded, four-piece fiberglass tub/shower
- "Diamond Tile" wall finish, white (standard)
- Integral full wood backing for strength and unlimited accessory placement
- Seat at wheelchair height for safe and comfortable transfer for bather and caregiver
- "Waisted" center conserves water but still delivers a higher waistline for a more comfortable soak
- The virtually flat floor with straight tub walls reduce slipping in the standing area
- Functional deck bar adds both a luxurious appearance as well as a safe guard against falling
- The sturdy seat drastically reduces the chance of falling while entering and exiting
- The lowered side adds ease of entry and exit
- The entire outer edge of the tub is a subtle but functional gripping surface
- The back has an aggressive slope to maximize reclined comfort
- The contoured apron "reserves" space between the tub and toilet thus providing an area for caregivers to assume correct lifting stance and reducing risk of injury
