BARRIER-FREE SHOWERS & PANS

Remove Obstacles, Add Independence

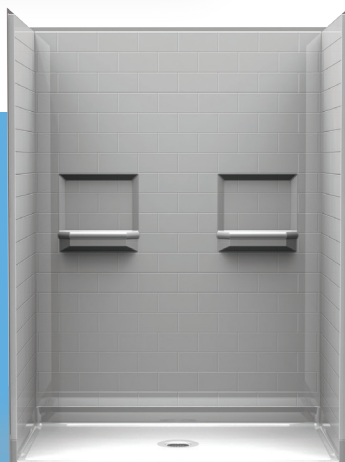

Our barrier free showers offer a nonslip pan and are manufactured with the most wood backing in the industry, to allow for grab bars to be placed anywhere they're needed for optimal safety and comfort. Multi-piece showers make it easy to install in any situation, durable and easy to clean.

ACCESSIBLE TUBS

Take Bathing To A Whole New Level

Bestbath's walk-in tubs offer the ultimate bathing experience for home or care facility use. A contoured seat, non-skid floor, grab bar, and optional therapeutic jets create a soothing bathing experience. Twice the depth of normal tubs and with an optional tub surround, they can fit seamlessly into your current bathroom surround area.
