OUR DESIGN APPROACH

AT INVISIA, WE BELIEVE THE BATHROOM SHOULD BE A BEAUTIFUL, PEACEFUL, AND CALMING PLACE. A PLACE WHERE YOU CAN RELAX AFTER A LONG DAY AND FORGET ABOUT YOUR WORRIES. WE ALSO BELIEVE THAT THE BATHROOM SHOULD BE A SAFE PLACE.

EVERYTHING WE DESIGN AND MANUFACTURE IS INSPIRED BY THE IDEA THAT STYLE AND SAFETY ARE NOT MUTUALLY EXCLUSIVE. SOMETHING THAT'S ELEGANT CAN ALSO BE FUNCTIONAL. SOMETHING THAT'S BEAUTIFUL CAN ALSO PROVIDE SECURITY. SOMETHING STUNNING CAN BE SAFE.

INVISIA PRODUCTS GET NOTICED. MOST PEOPLE JUST DON'T REALIZE HOW SAFE THEY ARE.

OUR COMMITMENT

We think that people shouldn't have to choose between a beautiful bathroom and a safe bathroom. That's why we're committed to designing and manufacturing bathroom accessories that blend style and safety. So you can have peace of mind without sacrificing your design aesthetic.

BAMBOO

To retain the natural beauty of bamboo, each slat is finished with an extremely durable 2 part natural oil finish that does not contain volatile organic compounds (VOCs) or other harmful chemicals. While uncommon, water discoloration may be noticed when exposed to the wood and this is due to the natural oils in the wood reacting with minerals present in certain types of water (referred to as leaching). The applied oil finish reduces the effects of this natural discoloration and it should fade over time, but wipe down after use if discoloration is observed. No two seats are exactly alike and indentations, slight cracks and color variations are to be expected. **WOOD CONTACT SENSITIVITY:** Sensitivity to bamboo is uncommon but some people may experience skin irritation. Test if unsure.

All designs & specifications subject to change without notice.
